SmartBorder® ACE e-Manifest Small Carrier Edition

Doing business in today's challenging environment is not easy. Skyrocketing fuel prices continue to hit the bottom line, while intense competition necessitates utilizing a small carrier infrastructure to offer large carrier services. SmartBorder's intuitive, logical interface and far-reaching functionality allow carriers of all sizes to increase productivity while meeting today's complex compliance requirements.

Our Technology Solution

SmartBorder's SaaS-based ACE application allowing you to handle the additional workload of meeting CBP's stringent new requirements, efficiently and cost-effectively without additional resources or significant expenditure. And it's all backed by our industry-leading training and support, 24 hours a day, 7 days a week.

Key Features of SmartBorder ACE e-Manifest

- Intuitive and easy to use
- Numerous data validation and accuracy checks
- Minimal internal IT support or investment

How You'll Benefit

- Save time. With our "pick and click" feature you can set up SmartBorder with all the necessary information prior to creating any trips, and reuse that data as needed.
- Get it right the first time. With hundreds of data checks, more keying errors are caught before information is ever sent to Customs and Border Protection (CBP).
- No IT investments. As long as you have a PC with an internet connection you are able to access SmartBorder's powerful ACE application anytime, anywhere.
- Stay current. With our cutting-edge technology, you'll always have the latest version of SmartBorder ever time you log on
- Pay per-transaction. After a low initial licensing fee, you are billed on a per-transaction basis with no additional fees or monthly charges.
- Software that grows with you. SmartBorder applications are almost limitlessly scalable and with us you pay one license fee, regardless of the number of users you have now or in the future.

About SmartBorder

SmartBorder is a powerful, SaaS (also known as ASP) application that does one thing and does it better than any other solution on the market: It facilitates time-saving, Customs-compliant importation of goods into the United States.

SmartBorder doesn't just meet the filing requirements, but provides additional benefits to your cross-border shipping process.
